

Interactive Seminar

Financial Accounting and Audit in European Research & Development Funding

16th - 17th November 2017, Berlin

Please find detailed information in our [brochure](#).

Benefit from workshops and case studies on the following key topics:

- Master the specific requirements within the different funding schemes – Horizon 2020, Marie Curie and ERC grants
- Assess categories of costs, eligibility criteria, actions and reimbursements in Horizon 2020 – **Practical Workshop**
- Financial reporting in H2020 – **Practical Workshop**
- Avoid common mistakes in accounting for personnel and other eligible costs
- Prepare for extensive audits
- **Case Study** on Marie Skłodowska-Curie (MSC) Innovative Training Networks (ITN)

Your experts from:

- European Organization for Nuclear Research (CERN), External Grants Section, Switzerland
- Karolinska Institute, Grants Office, Sweden
- Ministry of Education, Science and Sport, Science Directorate, NCP for Legal and Financial Issues in H2020, Slovenia
- Utrecht University, Finance & Control, Faculty of Science, the Netherlands

You are invited to bring particularly demanding cases to discuss with your peers.

For direct registration please use the [online booking form](#).

If you have any further questions or comments regarding this event, please do not hesitate to contact us.

We look forward to welcoming you to our seminar in Berlin!

Yours sincerely,

Dipl.-Jur. Christoph Brauner
Managing Director

P.S. The Seminar [“Funding Strategies & Sources for International Research Cooperation”](#), 25th - 26th September 2017 in Berlin, might also be interesting for you and your colleagues as well.
